*You can join in, it's easy to do, just follow the directions 1 and 2*

Number **1** is easy, simply post this RACK  
Near your front door, or if it makes sense, the back.  
Leave it there until Christmas Day  
So other RACKers will pass on their way.

Now, number **2**, requires the giving  
Of time, love or gifts, to enhance the living  
Of two fellow neighbors here in our hood  
To show them small acts, can be really good.

Keep your identity secret, to heighten the bliss,  
And don't forget to include, a note just like this.

Two days to act, is all you've got  
But please don't worry, it's not your last shot.  
Countdown to **CHRISTMAS** with **RANDOM ACTS** of **KINDNESS** each day  
Leaving God's blessing this season, to light your way!

**MERRY CHRISTMAS**
